MOTION TO EXTEND

Box TTAB - NO FEE

Commissioner for Trademarks

2900 Crystal Drive

Arlington, Virginia 22202-3513

Opposer, Lenovo (Singapore) Pte., hereby moves to enlarge the period to answer or otherwise respond to Applicant's **Amended Answer to Amended Notice of Opposition; Second Amended Counterclaim** by thirty (30) days, such that the Opposer's response will be due on October 3, 2009.

This Motion is filed before the expiration of the current time period for responding and good cause exists therefore. The additional time requested will permit Opposer to carefully consider the allegations made in the Second Amended Answer, including the Second Amended Counterclaim and the allegations of fraud asserted therein. This is the first requested extension of time.

Opposer has attempted to gain consent to the requested extension from the Applicant, through its California counsel, Gary Nelson of Christie, Parker & Hale, LLP, and has communicated with counsel's support staff. Opposer has been advised that due to travel outside of the country and, most recently, the current wildfires in Southern California, counsel not been available to respond to the request for consent.

Accordingly, it is respectfully requested that the Board approve this extension of time.

Respectfully Submitted,

ERENCE & ASSOCIATES LLC
